

Construction Update

INFORMATION FOR OUR BARANGAROO SOUTH NEIGHBOURS

Barangaroo  lendlease

25 August 2017

Dear Barangaroo Neighbour,

Important Construction Update – Night works required on Hickson Road

As previously notified, an upgrade of Hickson Road, between Watermans Quay and the Sussex Street Bridge, is currently being delivered for the Barangaroo development.

Part of this upgrade involves excavating underneath the road to connect drains at the intersection of Hickson Road and Napoleon Street. This work cannot be carried out during standard hours because of daytime traffic volumes and must be done at night.

The noisier components of this work, including cutting of the road asphalt, will be done during standard day hours. However, excavation of the trench, laying of stormwater pipes and the reinstatement of the road must be done at night. All reasonable mitigation measures will be undertaken to minimise any potential impact to the surrounding community.

The work will be carried out over two weeks from **Monday, 28 August 2017**. Construction activities will take place during the following times:

- **Monday, Tuesday and Wednesday nights from 8:00pm to 5:00am**
- **Thursday nights from 9:00pm to 5:00am**
- **Friday nights from 10:00pm to 6:00am**
- **No work will take place on Saturday and Sunday nights.**

We thank you for your patience during these important works. If you have any further questions around the construction elements of the Hickson Road Upgrade, please do not hesitate to call the Lendlease Community Development team on 1300 039 733 or email barangaroosouth@lendlease.com.

Kind regards,

Lendlease Community Development team
