

Construction Update

INFORMATION FOR OUR BARANGAROO SOUTH NEIGHBOURS

Barangaroo  lendlease

1 September 2017

Dear Barangaroo Neighbour,

Important Construction Update – Sussex Street diversion and minor night works

You may be aware that night works are currently being carried out for the Hickson Road upgrade that involves connecting drains underneath the road. The work is progressing well and is expected to be complete by the end of next week.

In addition to this work, we have recently completed work to replace panels on the walkway adjacent to the Napoleon Bridge and the scaffolding and hoarding in this area now needs to be removed.

A section of the southbound lane of Sussex Street, between Napoleon Street and Erskine Street will need to be closed while this work is carried out to allow for a safe exclusion zone. This partial road closure needs to occur at night to minimise traffic impacts. Southbound motorists will be diverted via Watermans Quay and Barangaroo Avenue.

The work will be carried out over three nights from **Monday, 4 September 2017**. The work and road diversion will take place during the following times:

- Removal of the scaffolding and hoarding will be carried out on Monday, Tuesday and Wednesday nights from 8:00pm to 5:00am
- Road diversions will be in place on Monday, Tuesday and Wednesday nights from 10:00pm to 5:00am

We thank you for your patience during these important works. If you have any further questions, please do not hesitate to call the Lendlease Community Development team on 1300 039 733 or email barangaroosouth@lendlease.com.

Kind regards,

Lendlease Community Development team
