

Construction Update

INFORMATION FOR OUR NEIGHBOURS ABOUT CROWN SYDNEY HOTEL RESORT

4 September 2017

Dear Neighbour

Crown Sydney Hotel Resort – Cable pulling night works update

Further to our previous notification, we carried out some night work on Monday, 14 August 2017 to install a temporary electrical supply to the site.

Due to unforeseen circumstances, this work could not be completed and an additional night of work is required on **Monday, 11 September 2017**, between 8:00pm and 5:00am. This work will involve the same work methods as the previous work. A high voltage cable will be pulled underneath the road from the intersection of Napoleon Street / Hickson Road to an Ausgrid electrical kiosk opposite 30 Hickson Road.

Hickson Road will remain open throughout the work. Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers and to manage access to properties. If you travel along the work route, please follow the direction of traffic controllers and signage.

The work is expected to take only one night to complete, weather permitting. Should the work not progress on this date, it will be carried out on Tuesday, 12 September 2017.

All reasonable mitigation measures will be implemented to reduce any impacts associated with this work.

Please call the 24-hour community line on 1300 117 138 if you have any questions about the work. You can also alternatively email crown.sydney@crownsydney.com.au.

Thank you for your patience during this important work.

Kind regards

Crown Sydney
