

Construction Update

INFORMATION FOR OUR NEIGHBOURS ABOUT CROWN SYDNEY HOTEL RESORT

9 October 2017

Dear Neighbour

Crown Sydney Hotel Resort – Sunday work for crane construction

The Crown Sydney Hotel Resort project is progressing well and work will soon commence to install a large crane on the western edge of the site.

The majority of the work to construct the crane will be undertaken during standard approved construction hours, however the final components including the lifting of the boom of the crane, will be carried out on **Sunday, 15 October 2017** between 9:00am and 5:00pm, as per the relevant approvals.

In accordance with road authority restrictions for oversized loads, some deliveries associated with the crane must occur outside of standard hours to ensure oversized loads are off the road by 5:00am. These out of hours deliveries will be unloaded on site however no other work will commence outside approved working hours.

All reasonable mitigation measures will be implemented to reduce any impacts associated with this work.

Please call the 24-hour community information line on 1300 117 138 if you have any questions about the work. You can also alternatively email crown.sydney@crownsydney.com.au.

Thank you for your patience during this important work.

Kind regards

Crown Sydney
