Crown and Lend Lease sign agreement for six-star hotel at Barangaroo South

The Barangaroo Delivery Authority today welcomed the announcement by Crown and Lend Lease, that they had signed an exclusivity deal for the development of a hotel at Barangaroo South.

The Authority will continue to work with Lend Lease, and now their exclusive rights partner Crown, to negotiate a new location for the hotel in Barangaroo South and oversee the appropriate planning applications that must be approved before any concept moves ahead.

Delivery of a world class hotel next to Sydney Harbour will deliver thousands of jobs in construction, manufacturing and tourism, providing a boost to the NSW economy.
