

Barangaroo Remediation

1 October 2018

Hickson Road - Upcoming Night Work

The remediation project on Hickson Road is progressing well. As part of this project we have relocated existing utilities and installed new utilities in the area.

The next stage of this work involves installing underground Optus cables and diverting a gas main.

This work has will take place between 6pm and 6am on the following dates:

- Monday 8 October to Thursday 11 October 2018
- Monday 15 October to Thursday 18 October 2018

The work will require the use of jackhammers however noisy works will be kept to a minimum past 12am where possible.

Generators will be required to power some of the equipment and small, directional lighting stands will be used to ensure the safety of our workers.

Small sections of Hickson Road will be closed throughout the work. Traffic management will be in place to allow two-way traffic at all times.

If this work is delayed for unforeseen circumstances, the work will take place between Monday 22 October and Thursday 25 October 2018.

More information

Thank you for your patience during these works. Please contact a member of the team for further information.
