

# Construction Update

INFORMATION FOR OUR BARANGAROO SOUTH NEIGHBOURS

6 September 2019

Dear Barangaroo Neighbour,

## Construction Update – One Sydney Harbour tower crane installation

The One Sydney Harbour project continues to progress well, and work will soon commence to install the next two tower cranes on the construction site.

The majority of the construction of the cranes will occur during normal working hours. However, for safety reasons the final component - lifting the boom of the crane into its final position – must occur when the site is clear of all other workers. It has been approved by the Department of Planning, Industry and Environment to be carried out on the following two Sundays in September:

- **Sunday 15 September between 9am and 5pm**
- **Sunday 29 September between 9am and 5pm**

All reasonable mitigation measures will be implemented to reduce any impacts associated with this work.

## Delivery

In accordance with Roads and Maritime Services restrictions for oversized loads, some oversized loads need to be delivered in the early hours of the morning to ensure they are off the road by 5am. These oversized loads will arrive throughout the week leading up to Sunday 15 September and Sunday 29 September. Please note that the deliveries will not be unloaded from the trucks until normal working hours commence.

## Contact Us

We thank you for your patience as we deliver the next stage of Barangaroo. If you have any further questions about the construction of One Sydney Harbour, please do not hesitate to contact the Lendlease Community Development team on 1300 039 733, email [barangaroosouth@lendlease.com](mailto:barangaroosouth@lendlease.com) or mail Locked Bag 1, Millers Point NSW 2000.

Kind regards,

Lendlease Community Development team
