

Construction Update

INFORMATION FOR OUR BARANGAROO SOUTH NEIGHBOURS

28 October 2019

Dear Barangaroo Neighbour

Important Construction Update – Night works associated with installation of lighting, Scotch Row

Work will soon take place to install lighting in the northern section of Scotch Row, between Shipwright Walk and Watermans Quay.

This work will need to be undertaken at night for safety reasons as Scotch Row has high pedestrian flow during the day.

A mobile crane will be used to lift each lighting pole into place and this area of Scotch Row will not be accessible during the work. Traffic control will be in place to direct any pedestrians around the work.

This work will take place over the following nights, between 10pm and 6am:

- Wednesday, 30 October 2019
- Thursday, 31 October 2019

This work is not expected to cause any excessive noise. Please refer to the plan overleaf for information on the exact location of the work.

More information

Thank you for your patience during these works. Please contact a member of our team on 1300 039 733 or email barangaroosouth@lendlease.com for further information.

Kind regards,

Lendlease Community Development team
