

Construction Update

INFORMATION FOR OUR BARANGAROO SOUTH NEIGHBOURS

17 December 2019

Dear Barangaroo Neighbour

Important Construction Update – Barangaroo Avenue and Watermans Quay closed in January 2020

Work will soon take place to replace the three existing pedestrian crossings on Barangaroo Avenue. During this time, the majority of Barangaroo Avenue and Watermans Quay will be closed to vehicular traffic to facilitate the work.

The work will take place between **Monday 6 January and Thursday 23 January 2020**. Working hours are as follows:

- Monday to Friday: 7am – 7pm
- Saturday: 7am – 5pm
- No work will occur on Sundays or public holidays.

If inclement weather prevents the work from being completed, works will be completed between Thursday 23 January and Thursday 30 January 2020.

All three pedestrian crossings will be worked on simultaneously and temporary pedestrian crossings will be installed adjacent to each work compound to allow for inclusive pedestrian access at all times. Vehicular traffic will be maintained to the existing car park on Barangaroo Avenue (via Lime/Shelley Streets) and the loading dock on Watermans Quay (via Hickson Road).

Traffic control will be in place at both ends of the road closure at all times to appropriately direct vehicles and pedestrians as required. Please see overleaf for a map showing the extent of the closure.

There may be some noise experienced throughout the demolition of the existing pedestrian crossings however the work is not expected to be overly disruptive.

More information

Thank you for your patience during these works. Please contact a member of our team on 1300 039 733 or email barangaroosouth@lendlease.com for further information.

Kind regards,

Lendlease Community Development team
