

Construction Update

INFORMATION FOR OUR BARANGAROO SOUTH NEIGHBOURS

10 February 2020

Dear Barangaroo Neighbour,

Construction Update – Public Domain

Construction of Watermans Cove, one of the significant new public areas of Barangaroo, is well underway, with plans to open later this year. In order for Watermans Cove to open, some works will be required outside of the existing hoardings.

Paving

Works are required in the northern area of the foreshore walk, adjacent to Cirrus Dining. This work is being carried out to connect the old and new public areas together.

Paving is expected to commence from **Monday 17 February 2020** and will take approximately three months to complete. The works are planned to be complete before Vivid Sydney commences in late May. Please see overleaf for a plan showing the extent of the works. Area 1 will commence construction from Monday 17 February and Area 2 will follow approximately six weeks later.

Pedestrian access will be maintained at all times through appropriate staging of the work. The work may be noisy at times and Lendlease will implement mitigation measures to minimise potential impacts, including the scheduling of work around respite periods.

Tree grate replacement

Works are required to replace all the tree grates on the foreshore walk. This work will commence from **Monday 17 February 2020** adjacent to Belles Chicken, before moving northwards to Cirrus Dining. This will take approximately three weeks to complete and will be undertaken in groups of 4 or 6 trees at a time.

Both paving and tree grate replacement construction activities will take place during approved construction hours of 7am to 7pm Monday to Friday and 7am to 5pm on Saturdays.

Contact Us

We thank you for your patience as we deliver the next stage of Barangaroo. If you have any further questions about this work, please do not hesitate to contact the Lendlease Community Development team on 1300 039 733 or email barangaroosouth@lendlease.com.

Kind regards,

Lendlease Community Development team
