

Proud operator of Sydney Ferries

November 2020

Dear Resident,

At Transdev, proud operator of Sydney Ferries, we take safety and environmental protection very seriously and are committed in ensuring our operations are as respectful as possible of the neighbourhood.

From Friday 06 November 2020, we will be undertaking construction works at Barangaroo Wharf 1. The works will be carried out on weekdays during normal business hours and are expected to last approximately five (5) weeks.

We understand that as a neighbour living in close proximity of the wharf, you might be inconvenienced by the noise generated by the construction works. Should you wish to report any noise concerns to us, please visit transportnsw.info

We look forward to continue to work with you to keep Barangaroo a thriving and pleasant place to live and work.

Best regards,

Transdev Sydney Ferries Management
